

# *Advancing Transportation Through Cross-Sector Partnerships*

hopelink

# What Are We Working Towards?

## *Healthcare Sector*

- Minimize missed appointments
- Reduce hospital readmissions
- Optimize hospital beds with patients who need care

## *Transportation Sector*

- Reduce burden on finding and securing a ride
- Get people to medical and wellness care
- Optimize transportation system

# Our Partners

## **BORPSAT - Bunch Of Right People Sitting Around Table**

- Transportation Champions in healthcare setting
  - Healthcare leadership
  - Discharge planners
    - Senior housing
- Non-Emergency Medical Transportation (NEMT) Broker
  - Community members

## **BORPTA - Bunch Of Right People Taking Action**

# Where Are We Now?

- After successful pilot in 2020, paused Care Mobility Rewards Program (<https://bit.ly/30fE5hn>)
- Implementing One-Call/One-Click Phase One ([www.kcmobility.org/ococ](http://www.kcmobility.org/ococ))
  - Healthcare sector on Advisory Committee
  - Piloting with local healthcare provider / healthplan
  - Payment integration for hospitals to cover costs

# Thank You!

**Staci Sahoo**

Director, Mobility Management
